Neuter Comparative Adjectives

| | Singular | Plural |
|------------|---------------|-----------------|
| Nominative | -ius | -iōra |
| Genitive | -iōris | -iōrum |
| Dative | -iōrī | -iōribus |
| Accusative | -iōrem | -iōra |
| Ablative | -iōre | -iōribus |
| Vocative | -ius | -iōra |

To find the comparative degree of a regular adjective, add **-ior, -iōris** to the base of the positive degree.
To find the superlative degree of a regular adjective, add **-issimus, -issima, -issimum** to the base of the positive degree.

To compare two items, the comparative degree is used preceding either the conjunction **quam** or the ablative of comparison.
